Welcome to Opus,  
the little bistro with arguably one of the best  
classic Italian food in town for over 20 years.  
Experience the spirit of Italy at Opus, and share  
our passion for good food and wines.

We suggest that you start with some *antipasti*  
(to be shared with everyone on the table, as the  
Italians do), followed by a *primi* (first course) of  
either soup, salad, pasta or risotto. Then on to a  
*secondi* (main course). But please remember to  
save some stomach space for our delicious  
selection of homemade *dolci* (dessert), and  
finish with an espresso and perhaps, if you are  
feeling indulgent, a nice digestif?

We wish you *La Dolce Vita* (the beautiful life)—  
after all we only live once, so make it beautiful  
(and forget about your diet today).
