

OPUS

— bistro —

Welcome to Opus,

For over two decades, Opus has proudly served as one of Kuala Lumpur's most cherished destinations for classic Italian cuisine. Nestled in the heart of Bangsar, our bistro brings the warmth and flavours of Italy to your table—celebrating great food, heartfelt hospitality, and the joy of sharing meals with those you love.

To begin your dining journey, we invite you to enjoy our **antipasti**, perfect for sharing and designed to whet the appetite. Follow this with a **primi**—a first course of soup, salad, pasta, or risotto. Then delight in a **secondi**, our selection of main courses crafted with passion and finesse.

Don't forget to leave room for our indulgent **dolci**, all homemade, and best enjoyed with a rich espresso or a smooth digestif—because every meal should end on a sweet note.

At Opus, we embrace **La Dolce Vita—the beautiful life**. So take your time, savour every bite, and celebrate the moment. After all, life is meant to be delicious.
