

OPUS

— bistro —

Welcome to Opus, the little bistro with arguably one of the best Italian food in town. We want you to experience the spirit of Italy at Opus, and share our passion for good food and wines.

We suggest that you start with some *antipasti* (to be shared with everyone on the table, as the Italians do), followed by a *primi* (first course) of either soup, salad, pasta or risotto. Then on to a *secondi* (main course). But please remember to save some stomach space for our delicious selection of homemade *dolci* (dessert), and finish with an espresso and perhaps, if you are feeling indulgent, a nice digestif?

We wish you *La Dolce Vita* (the beautiful life)—after all we only live once, so make it beautiful (and forget about your diet today).
